REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322 FOR
CORRECTION OF OFFICE MISTAKE

ATTN: Certificate of Correction Branch
Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

As provided in detail in the attached, the patentee respectfully requests that a Certificate of Correction be granted in the above-identified patent to correct a mistake in a patent, incurred through the fault of the Office.

Under 37 CFR 1.322, "The Commissioner may issue a certificate of correction pursuant to 35 U.S.C. 254 to correct a mistake in a patent, incurred through the fault of the Office, which mistake is clearly disclosed in the records of the Office at the request of the patentee or the patentee's assignee."

The patentee furthermore requests Expedited Issuance of this Certificate of Correction in accordance with MPEP § 1480.01. Specifically, this section provides that:

In an effort to reduce the overall time required in processing and granting Certificate of Correction requests, the Office will expedite processing and granting of patentee requests where such requests are

MAY 15 2007

accompanied by evidence to show that the error is attributable solely to the Office Where the correction requested was incurred through the fault of the Office, and the matter is clearly disclosed in the records of the Office, and is accompanied by documentation that unequivocally supports the patentee's assertion(s), a Certificate of Correction will be expeditiously issued. MPEP § 1480.01

The following errors appear to have occurred through the fault of the Office, and the patentee respectfully requests correction thereof.

In a claim of domestic priority, the Applicant cited application Serial No. 08/118,672 with a proper filing date of "September 10, 1993" on page 4 of the *Application Data Sheet* filed April 12, 2004, which was acknowledged by the Patent Office in the *Filing Receipt* mailed June 25, 2004; and on page 4 of the *Supplemental Application Data Sheet* filed August 2, 2004, which was acknowledged by the Patent Office in the *Corrected Filing Receipt* mailed September 2, 2004. Apparently due to Patent Office error, on the face of the patent, in column 1, section (62), "Related U.S. Application Data," line 5, and at column 1, lines 7-8, the filing date of application Serial No. 08/118,672 appears as "Sep. 9, 1993." As noted above, the correct date is "September 10, 1993." As a result, errors appear in the issued patent. Therefore, the patentee respectfully requests that the present *Request* be granted and that the issued patent be corrected as noted in the attached correction form.

MAY 15 2007

As the errors were incurred through the fault of the Office, a fee is not believed to be necessary. Should it be determined that a fee is necessary, any deficiencies or overages in any fees due in connection with this patent and the requested actions should be applied to Deposit Account No. 50-2280(0756-7298).

Respectfully submitted,

Eric J. Robinson
